FUND 2020/2021
Alpha/Beta

	Assumption
1	We will be doing an online application system
2	Companies will be happy to create an account
3	People still have a positive attitude to our organisation
4	Customer data will go into our existing crm system
5	People will be willing to use personal information and documents to verify their business
6	People want to be told immediately if they are not eligible
7	They are all looking for money
